

## Safety Data Sheet

according to the Work Health and Safety (WHS) Regulations  
Reference number: 1395  
Issue date: 5/6/2022 Version: 1.0

### SECTION 1: Product identifier

#### 1.1. GHS Product identifier

Product form : Article  
Product name : LUMNIA; GLUEBOARD (BLACK)

#### 1.2. Other means of identification

No additional information available

#### 1.3. Recommended use of the chemical and restrictions on use

Recommended use : Insect containment for the purpose of monitoring the target species.

#### 1.4. Details of manufacturer or importer

Rentokil Initial Pty Ltd  
Unit A1 Lidcombe Business Park,  
3-29 Birnie Avenue  
Lidcombe NSW 2141  
Australia

Product advice line: 61 2 8719 6264  
Email: sds@rentokil.com

#### 1.5. Emergency phone number

Emergency number : Poisons Information Centre: 13 1126 from anywhere in Australia, (0800 764 766 in New Zealand).

| Country   | Organisation/Company                  | Address  | Emergency number | Comment |
|-----------|---------------------------------------|--|------------------|---------|
| Australia | Queensland Poisons Information Centre | Royal Children's Hospital<br>Herston Road, Brisbane 4029 | 13 11 26         |         |

### SECTION 2: Hazard identification

#### 2.1. Classification of the hazardous chemical

Classification according to the model Work Health and Safety Regulations (WHS Regulations)

Not classified

#### 2.2. GHS Label elements, including precautionary statements

No labelling applicable

#### 2.3. Other hazards which do not result in classification

No additional information available

### SECTION 3: Composition and information on ingredients

This mixture does not contain any substances to be mentioned according to the applicable regulations

# LUMNIA; GLUEBOARD (BLACK)

## Safety Data Sheet

according to the Work Health and Safety (WHS) Regulations

### SECTION 4: First aid measures

#### 4.1. Description of necessary first-aid measures

|                                       |   |
|---------------------------------------|---|
| First-aid measures general            | : Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice (show the label where possible). |
| First-aid measures after inhalation   | : This route of exposure is not anticipated.  |
| First-aid measures after skin contact | : Remove affected clothing and wash all exposed skin area with mild soap and water, followed by warm water rinse.                 |
| First-aid measures after eye contact  | : Rinse immediately with plenty of water. Obtain medical attention if pain, blinking or redness persists.                         |
| First-aid measures after ingestion    | : This route of exposure is not anticipated.  |

#### 4.2. Symptoms caused by exposure

|                  |  |
|------------------|--|
| Symptoms/effects | : Not expected to present a significant hazard under anticipated conditions of normal use. |
|------------------|--|

#### 4.3. Medical attention and special treatment

No additional information available

### SECTION 5: Fire-fighting measures

#### 5.1. Extinguishing media

|                                |  |
|--------------------------------|--|
| Suitable extinguishing media   | : Foam. Dry powder. Carbon dioxide. Water spray. Sand. |
| Unsuitable extinguishing media | : Do not use a heavy water stream.                     |

#### 5.2. Specific hazards arising from the chemical

No additional information available

#### 5.3. Special protective equipment and precautions for fire-fighters

|                                |   |
|--------------------------------|---|
| Firefighting instructions      | : Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Prevent fire fighting water from entering the environment. |
| Protection during firefighting | : Do not enter fire area without proper protective equipment, including respiratory protection.   |

### SECTION 6: Accidental release measures

#### 6.1. Personal precautions, protective equipment and emergency procedures

##### 6.1.1. For non-emergency personnel

|                      |                                   |
|----------------------|-----------------------------------|
| Emergency procedures | : Evacuate unnecessary personnel. |
|----------------------|-----------------------------------|

##### 6.1.2. For emergency responders

|                      |  |
|----------------------|--|
| Protective equipment | : Equip cleanup crew with proper protection. |
| Emergency procedures | : Ventilate area.                            |

#### 6.2. Environmental precautions

Prevent entry to sewers and public waters.

#### 6.3. Methods and materials for containment and cleaning up

No additional information available

### SECTION 7: Handling and storage

#### 7.1. Precautions for safe handling

|                               |   |
|-------------------------------|---|
| Precautions for safe handling | : Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. |
|-------------------------------|---|

# LUMNIA; GLUEBOARD (BLACK)

## Safety Data Sheet

according to the Work Health and Safety (WHS) Regulations

### 7.2. Conditions for safe storage, including any incompatibilities

|                        |   |
|------------------------|---|
| Storage conditions     | : Keep only in the original container in a cool, well ventilated place away from : Keep container closed when not in use. |
| Incompatible products  | : Strong bases. Strong acids.   |
| Incompatible materials | : Sources of ignition. Direct sunlight.   |

## SECTION 8: Exposure controls and personal protection

### 8.1. Control parameters - exposure standards

No additional information available

### 8.2. Biological Monitoring

No additional information available

### 8.3. Engineering controls

No additional information available

### 8.4. Individual protection measures, such as personal protective equipment (PPE)

|                               |  |
|-------------------------------|--|
| Personal protective equipment | : Avoid all unnecessary exposure.                |
| Hand protection               | : None necessary during normal handling and use. |
| Eye protection                | : None necessary during normal handling and use. |
| Respiratory protection        | : None necessary during normal handling and use. |

## SECTION 9: Physical and chemical properties

|   |   |
|---|---|
| Physical state                                  | : Solid   |
| Appearance                                      | : Black craft board, printed white, with sticky surface covered by silicon release paper. |
| Colour  | : Colourless.   |
| Odour   | : Odourless   |
| Odour threshold                                 | : No data available   |
| pH  | : No data available   |
| Relative evaporation rate (butylacetate=1)      | : No data available   |
| Melting point / Freezing point                  | : No data available   |
| Boiling point                                   | : No data available   |
| Flash point                                     | : No data available   |
| Auto-ignition temperature                       | : No data available   |
| Flammability (solid, gas)                       | : > 100 °C  |
| Vapour pressure                                 | : No data available   |
| Relative density                                | : No data available   |
| Density   | : No data available   |
| Solubility                                      | : No data available   |
| Partition coefficient n-octanol/water (Log Pow) | : No data available   |
| Explosive properties                            | : No data available   |
| Explosive limits                                | : No data available   |
| Minimum ignition energy                         | : No data available   |
| Fat solubility                                  | : No data available   |

## SECTION 10: Stability and reactivity

|                                    |  |
|------------------------------------|--|
| Reactivity                         | : No additional information available                  |
| Chemical stability                 | : Not established.                                     |
| Possibility of hazardous reactions | : Not established.                                     |
| Conditions to avoid                | : Direct sunlight. Extremely high or low temperatures. |
| Incompatible materials             | : Strong acids. Strong bases.                          |
| Hazardous decomposition products   | : Fume. Carbon monoxide. Carbon dioxide.               |

# LUMNIA; GLUEBOARD (BLACK)

## Safety Data Sheet

according to the Work Health and Safety (WHS) Regulations

### SECTION 11: Toxicological information

|   |  |
|---|--|
| Acute toxicity (oral)                               | : Not classified   |
| Acute toxicity (dermal)                             | : Not classified   |
| Acute toxicity (inhalation)                         | : Not classified   |
| Skin corrosion/irritation                           | : Not classified   |
| Serious eye damage/irritation                       | : Not classified   |
| Respiratory or skin sensitisation                   | : Not classified   |
| Germ cell mutagenicity                              | : Not classified   |
| Carcinogenicity                                     | : Not classified   |
| Reproductive toxicity                               | : Not classified   |
| STOT-single exposure                                | : Not classified   |
| STOT-repeated exposure                              | : Not classified   |
| Aspiration hazard                                   | : Not classified   |
| Potential adverse human health effects and symptoms | : Based on available data, the classification criteria are not met |

### SECTION 12: Ecological information

According to the National Code of Practice for the Preparation of Material Safety Data Sheets, Environmental classification information is not mandatory. Information relevant for GHS classification is available on request

#### 12.1. Ecotoxicity

|   |                                     |
|---|-------------------------------------|
| Hazardous to the aquatic environment, short-term (acute)  | : Not classified                    |
| Hazardous to the aquatic environment, long-term (chronic) | : Not classified                    |
| Other information   | : Avoid release to the environment. |

#### 12.2. Persistence and degradability

##### LUMNIA; GLUEBOARD (BLACK)

|                               |                  |
|-------------------------------|------------------|
| Persistence and degradability | Not established. |
|-------------------------------|------------------|

#### 12.3. Bioaccumulative potential

##### LUMNIA; GLUEBOARD (BLACK)

|                           |                  |
|---------------------------|------------------|
| Bioaccumulative potential | Not established. |
|---------------------------|------------------|

#### 12.4. Mobility in soil

No additional information available

#### 12.5. Other adverse effects

|                       |                                       |
|-----------------------|---------------------------------------|
| Ozone                 | : Not classified                      |
| Other adverse effects | : No additional information available |

##### LUMNIA; GLUEBOARD (BLACK)

|                              |       |
|------------------------------|-------|
| Fluorinated greenhouse gases | False |
|------------------------------|-------|

### SECTION 13: Disposal considerations

|  |   |
|--|---|
| Product/Packaging disposal recommendations | : Dispose in a safe manner in accordance with local/national regulations. |
| Ecology - waste materials                  | : Avoid release to the environment.                                       |

# LUMNIA; GLUEBOARD (BLACK)

## Safety Data Sheet

according to the Work Health and Safety (WHS) Regulations

### SECTION 14: Transport information

| ADG                                     | IMDG           | IATA           |
|---|----------------|----------------|
| <b>14.1. UN number</b>                  |                |                |
| Not applicable                          | Not applicable | Not applicable |
| <b>14.2. UN Proper Shipping Name</b>    |                |                |
| Not applicable                          | Not applicable | Not applicable |
| <b>14.3. Transport hazard class(es)</b> |                |                |
| Not applicable                          | Not applicable | Not applicable |
| <b>14.4. Packing group</b>              |                |                |
| Not applicable                          | Not applicable | Not applicable |
| <b>14.5. Environmental hazards</b>      |                |                |
| Not applicable                          | Not applicable | Not applicable |

### 14.6. Special precautions for user

Specific storage requirement : No data available  
Shock sensitivity : No data available

### 14.7. Additional information

Other information : No supplementary information available

#### Transport by road and rail

Not applicable

#### Transport by sea

Not applicable

#### Air transport

Not applicable

### 14.8. Hazchem or Emergency Action Code

Hazchem Code : Not applicable

### SECTION 15: Regulatory information

#### 15.1. Safety, health and environmental regulations specific for the product in question

No additional information available

#### 15.2. International agreements

No additional information available

### SECTION 16: Other information

Data sources : REGULATION (EC) No 1272/2008 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 16 December 2008 on classification, labelling and packaging of substances and mixtures, amending and repealing Directives 67/548/EEC and 1999/45/EC, and amending Regulation (EC) No 1907/2006.

Other information : None.

#### Classification

Not classified

# LUMNIA; GLUEBOARD (BLACK)

## Safety Data Sheet

according to the Work Health and Safety (WHS) Regulations

---

Safety Data Sheet (SDS), Australia

This information is based on our current knowledge and is intended to describe the product for the purposes of health, safety and environmental requirements only. It should not therefore be construed as guaranteeing any specific property of the product.
